## The HSBC Young Entrepreneur Awards 2009-2010 Realise your business potential with innovative ideas

HSBC seeks to cultivate the next generation's interest in entrepreneurship, so we are challenging local tertiary level students to use their creativity in developing creative and commercially viable business proposals. The competition will offer a series of seminars and workshops on practical business knowledge and management skills, **with cash prizes totalling BND6,000 and a week long Entrepreneurial Tour to Malaysia** to be awarded to the local winning student teams. The Eco-Business Innovation Award will be given to the team with the business proposal that can generate the most environmental benefits.

Submit your business idea on or before 11 January 2010.
